What documentation do I need to provide to enroll my child?

To enroll in a public school Pre-K program, parents must provide the following documents:

1. Child's official birth certificate
 - Schools do not ask for immigration status of children. If a child is born in another country, parents can provide that birth certificate. If a child does not have a birth certificate, parents can instead provide any 1 of the following documents:
 - A statement of the child's date of birth issued by the division of the Texas Department of State Health Services responsible for vital statistics for school admission purposes
 - Passport
 - School ID card, records, or report card
 - Military ID
 - Hospital birth record
 - Adoption records
 - Church baptismal record
 - Any other legal document that establishes identity and age.
2. Child's up-to-date immunization record.
3. Current proof of address: *like a utility bill, lease or tax bill with parent name and address.*
4. Parent/guardian photo identification.
5. To establish eligibility based on status, 1 of the following documents may be required:
 - Current proof of family income: *like a current paycheck stub or pay envelope; a letter from employer stating gross wages paid & how often they are paid; unemployment document; Worker's Compensation or Disability payment stub; **OR** documentation of eligibility for SNAP or TANF benefits.*
 - For current or former Foster children, a letter from DFPS.
 - For children of active members of the armed forces, a copy of mom or dad's Department of Defense ID or a statement of service.
 - For homeless or migrant children, parents will complete a residency questionnaire or migrant survey at time of registration.
 - For children of a person eligible for the Star of Texas Award as a peace officer, firefighter, or emergency medical first responder, a copy of official documentation.

What if I don't have all of these documents?

You'll need all of these documents to officially enroll your child, but your school will work with you to make sure you have everything you need. Call your school or school district and let them know what you have and don't have.

Visit <http://e3alliance.org/pre-k/> to access a FREE parent guide to school readiness.

What is the deadline for enrolling?

Schools enroll all year long! It is best to enroll your child over the summer so that he/she can attend all year, but if you don't enroll before the school year starts, you can still enroll your child in the fall, winter or even spring.

WHY SHOULD MY CHILD GO TO PRE-K?

Why is Pre-K important?

Pre-K activities build the foundation of academic and social/emotional skills needed for school success. Students who attend pre-K are less likely to need to repeat a grade or receive special education services. AND students who attend pre-K have higher graduation rates and even higher wages as adults!

Will my child like Pre-K?

Most children love pre-K, so your child probably will too. Children enjoy meeting and playing with friends, learning letters and numbers, playing games, listening to and making up stories, playing outside, and learning from a loving, caring teacher.

OTHER QUESTIONS ABOUT PRE-K

What happens in Pre-K?

Children participate in individual and group activities like story time, learning centers, music and movement lessons, art projects, and letter and number lessons. Children also play with friends and practice learning with other children. In Pre-K, children build creativity and curiosity, and learn problem solving skills. This will help your child be ready for school on his/her first day of kindergarten!

What are the hours of public school Pre-K, and where are classes held?

Class times vary by school district. In general, "full day" Pre-K is about 6 hours/day, and "part-time" Pre-K is about 3 hours/day. Ask your school district for exact times.

Is there a bus to take my child to Pre-K?

Some schools provide transportation to/from schools and some do not. Call your school or school district to find out the answer.

Is after school care provided?

Afterschool childcare may or may not be available. Ask your school or school district.

What if my child does not speak English well?

That's okay! The classes will help your child learn English so that he/she is ready for Kindergarten.

How much does Pre-K cost?

For families that meet eligibility requirements, Pre-K is free! (See eligibility requirements on page 2.) Some schools offer tuition slots for students who don't meet the eligibility requirements for free Pre-K. Visit <http://e3alliance.org/pre-k/> to access a FREE parent guide to school readiness.

Ask your school or school district.

What can I do at home to help my child be ready for Kindergarten?

Children get ready for school at home by listening, talking, playing and loving. Simple things you can do with children can make a big difference. The E3 Alliance has a free school readiness guide you can download with easy-to-use tools to prepare your child for school. It's in English and Spanish. Visit <http://e3alliance.org/pre-k/>.
