

FREE Pre-K!

Help your 4-year-old prepare for school!

Pre-Kindergarten helps 4-year-olds prepare for school.* Most public schools have Pre-K classes, and your child could attend for free!

Pre-K helps children develop stronger reading, writing, math, English, listening and social skills.

Children who attend Pre-K are more likely to graduate from high school and succeed as adults!

To qualify for free Pre-K, your child must be at least 4 years old by September 1st of the school year and meet ANY of the following criteria:

- Child is from a low income household
- Child is unable to speak English well
- Child is homeless or has been in foster care
- Child's parent is a member of the U.S. armed forces

Children with no documentation of U.S. citizenship are accepted!
