

School Experience

Ryan Faxigue

High School Me

Was a Student Athlete all 4 years

Took over 14 Ap classes during those years

- *Constantly encouraged to take college credit class*

Was in 5 club organization. Favorite: TAME(Texas Alliance Minority Engineers)

- *Widely available to the students*

Thriving Diverse environment

- *Surrounded by kids that had the same goals as me regardless of background*

Graduated in the top 6% of my graduating class

High School Experience

Throughout my high school journeys I had support groups such as:

MBK-My Brother's Keeper

- Mentors
- College Visits/Information
- Financial Aids/Scholarships

AVID- Advancement Via Individual Determination

- Cornell Notes
- Agenda taking
- College Trips
- Reminded on importance of clubs

Counselor- Mr.Howell

- Financial Aid/Scholarships
- College representatives
- College Board Information

College Preparatory Class

Throughout my high school journeys the main class that prepared me for college:

Ap Capstone

- *Ap Seminar*
- *Ap Research*
- *Research programs*

Ap Environmental Science

- *UT Austin Professor - Mr. Quarles*
- *College Environment*

-Teachers and School fundraised money to help lower the cost for Ap Exams

-Teachers really cared about our education which further my motivation

AP Capstone™

Research, Academic Rigor, Distinction

High School-College Transition

Senior Covid Year

Counselor Updates weekly

-FAFSA

SAT Sign Ups

Online classes and work

College Decisions

-Representing my hometown

- Formal Graduate experiences

- Avid College process

Texas State

-Diverse Environment

- Anxiety rising in the beginning

Current College Experience

Currently in my 2nd year

Seeking Internships(Statefarm, Amazon, and Tesla)

Learn the business side of computer engineering

Mentoring High School students about college

*“Let your Ambition guide you in life”
