

# GET READY FOR YOUR FUTURE

## GET READY FOR A CAREER

Most students who pursue a career pathway in high school will graduate

High school students taking multiple CTE courses in one field are on a career pathway.

Students who pursue a career pathway are more likely to go to college

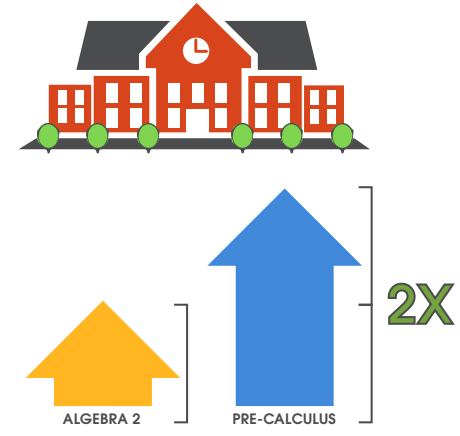

% of high school grads who enroll in college

We need more girls in STEM/IT courses.

% of high school grads with career pathway in STEM or IT

## TAKE MORE MATH

Students who take Pre-Calculus are 2 times more likely to go to college after graduating from school

To increase your likelihood of finishing college, take 4 years of math in high school.

## PLAN TO GO TO COLLEGE FULL-TIME

Start planning now for how to pay for college so you can go full-time. (≥12 hours per semester)

- ✓ Complete FAFSA/TASFA
- ✓ Apply for scholarships
- ✓ Save for college

Less than half of students going to college part-time return the next year.

Only 16% of those who start college part-time complete their degree.

% earning vocational certificate, associates, or bachelors in 6 Years

## STRONG ACADEMIC PREPARATION AND FULL-TIME COLLEGE ARE KEY TO COLLEGE DEGREE
